EMPLOYMENT OPPORTUNITY

Director, High Performance Program

Canada~Snowboard is seeking an experienced, enthusiastic, and self-motivated individual to fill the position of High Performance Program Director.

Under the direction of the Chief Executive Officer, the High Performance Program Director is responsible for the leadership and management of the High Performance Program. General responsibilities include program leadership, program management, personnel management, planning and evaluation, and liaison with external partners.

The High Performance Program Director should have the following qualifications:

- ☞ High performance coaching or competitive experience.
- ☞ A strong working knowledge of high performance sport.
- ☞ Strong inter-personal and leadership skills.
- ☞ Familiarity with international snow sport competition.

The following qualifications, while desirable, are not essential:

- ☞ The ability to communicate in both official languages.
- ☞ A strong working knowledge of the Canadian sport system.
- ☞ A degree in the field of Sport Science or Human Kinetics.

Applications, stating availability and salary expectations, must be submitted no later than 21 May to Tom McIlfaterick, Chief Executive Officer, Canada~Snowboard (tom_mc@canadasnowboard.ca). Please note that only applicants selected for interviews will be contacted.

Canada~Snowboard is the governing body for the sport of snowboarding in Canada. Committed to high performance excellence in World Cup, World Championships, and Olympic Winter Games competition, Canada~Snowboard provides a wide range of programs and support services based on established principles of long term athlete development, for all levels of snowboarding ability.
